

DCC change name to Foxway!

DCC A/S is now a part of Foxway Group, a European company focusing on circular IT services. As a natural step, we will the 5th of September 2022 change our name to Foxway and start acting under a common brand. As a customer you are very important to us, and we therefore want to inform you about the change, and what it means for our further co-operation.

The name changes mean the following:

- The **5th of September** will we change our name from DCC to **Foxway**. We will keep our current company registration number, address, phone number and employees, but under a new name and logo.
- The layout on our website, invoices, signs, business cards, clothes, and marketing materials will be updated to the new layout from September.
- We will change all our email addresses to Foxway emails. You can still email the existing ones (your email ends up right anyway), but we will respond from the Foxway mail.
- When visiting our website, you will face a new layout, and the domain will instead be **foxway.dk**. Our present domain will remain, but all traffic will be re-directed to foxway.dk.

Agreements and ongoing assignments:

We only change the name and logo; the legal entity is the same as before. It means:

- All current agreements apply and is not transferred to another party
- All agreements in connection with ongoing assignments apply
- You will have the same contact person from us as before
- From now on, we will start responding to new business and upcoming procurements with our new name
- You need to change our company name in your invoicing systems to Foxway instead

We are comfortable that being a part of Foxway and act under a common name will give you as a customer an even better experience of the company. In case of questions, you are always welcome to contact us. We are looking forward to continuing our cooperation, but under a new brand.

Warm greetings

Kent Jeppesen
CEO at DCC
